

Blue Knights' Club News

May 5, 2010: The parents and boys of the Blue Knights met this May. The boys received their virtue of Work patch and continued watching the music video of the mystery of the rosary, which focused on the Coronation of Mary, Queen of Heaven and Earth because May is the Month of Mary. Mr. Suess was the virtue speaker and taught the lesson on the virtue of Humility.

Mr. Suess began the virtue talk by stating that the virtue of humility is understanding and reflecting on our reliance on God. God has given us wonderful gifts, such as musical talent, athletic ability, intelligence, etc. Humility allows us to understand that it is God who gave us these gifts and it is God who allows us to build on them for His purpose. Humility also reflects on the things we are not good at as well. It is knowing our weaknesses and trusting in God and asking for God's help to overcome our weaknesses that we can truly grow stronger. As scripture says "God opposes the proud but gives grace to the humble" – James 4:6. Mr. Suess had the boys and parents list and discuss the wonderful gifts God has given them as well as their weakness. The Saint for this virtue was St. Francis of Assisi, who is a great example of humility, always trusting in God, he was able to convert many back to the church due to his love and reliance on God.

The boys created a footprints prayer poster. Each one cut out the "Footprints Prayer" and decorated it with their own foot print as well as other decorations. The boys had fun showing off their poster.
