

## Blue Knights' Club News

September 23, 2009: The parents and boys of the Blue Knights met for the first time this year. The boys learned about the good habits called virtues and specifically the virtue of Faith. Mr. Suess gave the lesson on the virtue of Faith and taught that faith is a gift from God in which we believe in all the truths taught by His Church through Scripture and Tradition. Mr. Suess taught about living out our faith by good works and used St. Steven, the first martyr, as an example of a Saint who died for his faith. He taught that Faith is a shield which protects us on our life journey. As St. Paul says: "Take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one" – Ephesians 6:16

The boys made shields with their parents to emphasize the lesson. All the shields were nicely made and decorated. They had silver color with red or blue crosses in the center, which were then decorated with gems and glitter.
